### **DETAILED ACTION**

This Office action is in response to the amendment filed October 25, 2005 in which claims 97 and 98 were added.

#### ***Claim Rejections - 35 USC § 112***

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 52, 59, 62, 66, 69, 76 and their dependents are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Since the claims are directed to a fossil fuel and an additive, the claims should read – A fossil fuel composition --. See claims 52, 62 and 70.

Claims 59, 66 and 76 are rejected because it is not clear why a fossil fuel composition requires a fossil fuel as a solvent. Clarification is required.

In claim 69, the comma should be deleted and replaced with – and --.

3. Claims 83-85 and 88-90 are allowable because the prior art fails to teach the claimed additive.
